EXTRA-CURRICULAR ACTIVITIES

Please write a brief statement telling how you became aware of/or selected histotechnology as a professional career your opinion of the most and least attractive aspects of his career choice and your projected career goals. (Please type or write legibly.)

I understand that if I make false statements, misrepresentations or omissions on this application or during the admission process, I may be refused admission or, if admitted, I may be dismissed regardless of when discovered. In consideration of my admission, I agree to conform to the rules, regulations and philosophy and values of OSF HealthCare. I understand this application is not intended as a contract for admission. I understand that after acceptance into the program and before the first day of class, I will be required to complete a medical examination which may include a drug screen and a criminal background check. I understand this application and any information gathered during the admission process may be shared with any OSF HealthCare entity.

I grant permission for OSF HealthCare to verify my employment and academic history, and release them from any liability resulting from such investigation. I grant permission for my past employers and college/university to supply any information they have concerning me, my work or my studies during my association with them, and release them from all liability in connection therewith.
