Auxiliary Prayer

We come to you, Heavenly Father, as Auxilians of Provena Covenant Medical Center. We seek your wisdom and guidance as we work together to build communities of healing and hope and as we respond compassionately to human need in the spirit of Jesus Christ.

Form us in the values of respect, integrity, stewardship and excellence and let us stand for them with courage and radiate them in joy.

To be "AUXILIARY" means to help, to stand with another. So, Father, as we come together as auxiliary, we ask that you shape our hearts and our minds into compassionate instruments of your healing love for those we serve.

Amen.

Untold hours and millions of hard earned dollars raised...

Thank you to ALL Auxiliary members who have served and given so much of themselves over the years. Millions of dollars have been raised to enhance the lives of our patients, staff, volunteers, and visitors, including purchasing state-of-the art technology, additions and remodeling of the hospital, and providing scholarships for students and staff... just to name a few.

You made a difference.
Your legacy will continue.

A special thank you to individuals that helped plan this evening:
