

OSF HealthCare Heart of Mary Medical Center

About Us

OSF HealthCare Heart of Mary Medical Center is a 206-bed comprehensive health care facility serving Champaign-Urbana, Illinois. It was founded in 1919 by the Servants of the Holy Heart of Mary. When the hospital became part of OSF HealthCare in February 2018, The Sisters of the Third Order of St. Francis renamed the hospital to honor the legacy of the founders. Our staff of nearly 700 provides state-of-the-art therapeutic, diagnostic, medical, surgical and support services. OSF HealthCare is a Catholic, 15-hospital health system serving Illinois and the Upper Peninsula of Michigan, driven by our Mission to serve with the greatest care and love.

Transforming Care

OSF Heart of Mary has been recognized for its treatment of heart failure, stroke, perinatal care and total knee and hip replacement, in addition to being home to the area's only inpatient Adult Behavioral Health unit. We continue to transform with the changing health care landscape to better serve our patients.
