Is Nursing Your Vocational Choice?

Are you interested in becoming a member of a team whose purpose is to promote the mental, physical, social and spiritual welfare of mankind?

Are you interested in working with people in the medical, social service, religious and allied professions?

Are you interested in a profession which will prepare you for long term job security, foreign travel, an armed service career, marriage and family responsibilities?

Do You Qualify For Nursing?

Are you in the upper $\frac{1}{2}$ of your high school class?

Do you like people?

Do you have good physical and mental health?

Are you interested in teaching people to stay well and prevent disease as well as caring for those who are ill?

Mercy Hospital School of Nursing And Your Preparation As A Professional Nurse

Mercy Hospital School of Nursing is a 27 academic month diploma school of professional nursing.

Day students are encouraged. Some dormitory facilities are available.

The educational building is across the street from Mercy Hospital.

The University of Illinois is within walking distance and offers many extracurricular opportunities.

Students of all races and creeds are welcome at Mercy Hospital School of Nursing.
