Directions

1. Heat the oil in a large pot over medium heat.
2. Add the onion, garlic, ginger, carrot, celery and red pepper and sweat until aromatic and softened, about 10 minutes.
3. Add the curry paste and turmeric and stir to coat the vegetables in the paste.
4. Once incorporated, toss in the star anise, cinnamon, and lemongrass. Stir in the coconut milk and water and bring to a simmer.
5. Add the chicken or tofu and salt and simmer, uncovered, for 20 minutes.
6. Add the potatoes and cook until tender, about 20-25 minutes longer.
7. Remove the star anise, cinnamon stick and lemongrass and discard.
8. Stir the fish sauce, lime juice and brown sugar into the curry, then adjust the seasoning with salt and more lime juice to suit your taste. Serve with rice.
